Yes! I would like to enroll my child in the Spanish/English Bilingual Program at South Shore Elementary. I understand that this is a multi-year commitment and for optimal success students should remain in the program from kindergarten through fifth grade.

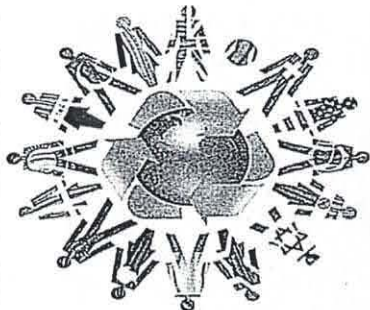

Each class will be composed of approximately 50% students whose first language is Spanish and 50% of students whose first language is English. Students are expected to meet or exceed the same high academic expectations as those in the rest of the district.
